

STRICTLY BOATER'S

A NEW AND DIFFERENT KIND OF BOAT SHOW

CAPE MAY'S ORIGINAL BOAT SHOW IS STRICTLY FOR BOATERS

Now is the Time to Buy!

Thanks to tax legislation passed by the New Jersey State legislature late in 2015, sales and use tax on vessels purchased at the 2016 Strictly Boaters Boat Show will be reduced from 7 to 3.5%. What this means to you is that last year, the sales tax on this 26' Jupiter was over \$13,000. Now, thanks to this new sales tax legislation the sales tax on the same vessel is less than \$7,000.

***Think of all the ways you can better use that extra \$7,000:
fuel, tackle, bait, electronics, etc.***

***In addition, the same legislation "capped" sales tax on all
recreational vessels at \$20,000 regardless of cost.***

So, circle April 29 – May 1st, 2016
on your calendar and make plans
to be in Cape May for the Strictly Boaters Boat Show.

This is indeed the time to buy!
